

# Take Time to be Holy

The background of the entire page is a light beige color with faint horizontal lines. In the upper center, the title "Take Time to be Holy" is written in a large, elegant, dark brown script font. The words "to be" are smaller and positioned between "Take Time" and "Holy". Several small, dark brown musical notes are scattered around the text. In the lower right corner, there is a faint, light brown illustration of a clock face with hands, partially obscured by the text.
