

Imagine you were given a time machine...

Trapped in the past...

The background of the image is a dark blue, textured surface. Scattered across this surface are numerous red alarm clocks of various sizes and orientations. Some are in sharp focus, while others are blurred, creating a sense of depth. The clocks have white faces with black numbers and hands. In the center of the image, there is a large white circle with a black border containing the number '1'.
